## **A MESSAGE FROM THE CHAIRMAN OF SHAFTESBURY CARNIVAL COMMITTEE**

Once more it is Shaftesbury Carnival time. Hopefully, 1993 Carnival Day will be dry. As you are all aware, for the past three years the weather could have been kinder to us, but nevertheless if our pattern continues I am sure we shall have a successful day. Last year our evening procession was the largest for some years and very spectacular. At the end we were able to present our chosen local charities with very satisfactory cheques.

I am hopeful that even in these difficult times the same will apply this year. My thanks must go to our Carnival president, Mr. Geof. Hughes and the rest of the committee for their support throughout the year. We could do with more members so that Shaftesbury Carnival can continue the past successes and secure it's future. It all makes the Shaftesbury Carnival motto 'DO BEST CAN' more important than ever.

I would like to finish with the carnival motto 'DO BEST CAN' !

### **BENEFICIARIES**

**SHAFTESBURY FOOTBALL CLUB** — Message from the Chairman, Paul Humphries. May I say how honoured we are at the football club that the Carnival committee have chosen us as one of the main beneficiaries of this years event. The club have always assisted the Carnival committee by making its facilities available to them and by sponsoring events. It is very gratifying to us that in our year of need financially, they have decided to make us a beneficiary. Over the last two years we have spent in excess of £60,000.00 upgrading our facilities including the playing area, changing rooms and club house. This quite obviously has meant a great deal of work for our members and management so when something such this happens it gives us all a boost. So please support the Carnival as well as you can, for by doing so you will assist others.

### **SHAFTESBURY IN BLOOM**

The people of Shaftesbury can feel justifiably proud of the town's record in the Britain in Bloom competition with five Southern England in Bloom titles and three national finalist certificates. This is evidence enough of how local people and organisations have pooled their energies and resources to ensure that our town is a more clean and beautiful place to live, work and visit.

The 'In Bloom' committee are very pleased that the Carnival committee have chosen them as one of the beneficiaries, as we can plan for 1994 with more confidence. Working towards the judging day is an all-year-round effort with environmental projects, litter clearing as well as buying, growing and storing the bulbs, seeds and plants. Just like the carnival committee we are always looking for new members of all ages to enable the campaign to go from strength to strength. If you can help please contact me, Derek Beer at the 'John Peel'. May I thank the carnival committee for their support and wish everyone a very happy and successful carnival.

### **THE CEDARS NURSING HOME**

The new twentyfour bed nursing home is currently being built in Angel Lane. It will be a community nursing home filling a gap in the community health provision in the Shaftesbury, Gillingham and Sturminster Newton area. Twelve single rooms will be set aside for sufferers of senile dementia and Alzheimer's Disease. The committee still needs to raise a further £680,000.00 so please give generously on Carnival Day.

### **MOTCOMBE PLAYGROUP**

The playgroup used a room in the local school until rising numbers at school forced the headmaster to ask the playgroup to vacate the classroom.

## SPONSORS OF BANDS & PRIZES FOR ENTRANTS

We would like to thank all the traders, both in the town and in the surrounding villages for their generous donations in this difficult time.

The bands we all enjoy watching cost a great deal of money and the prize money for the floats etc., total well in excess of £1,300. Without the support of our local traders the committee would not be able to support the beneficiaries in the way we have become well known for.

The names on the following two pages are all of our sponsors for the bands and prize money. Please accept our appologies if any name is inadvertently left out in the printing process. As you can see, the list is very comprehensive.

— THANKS ! — from the Committee

—Continued from page 2

A local builder offered to build a wooden building in the school grounds, so fund raising took place and the project got off the ground. Unfortunately, problems with the builders left the playgroup with no building and no money. Fundraising has started again and parents and local tradesmen are helping to construct a building. The headmaster has kindly let the playgroup stay on at the school until they can move in. Please help them to raise the last of the money needed to complete the project.

### EVENT SPONSORS
